

## **District No. 9 Members – Please note the following scheduling change to District No. 9’s Ask the Attorney Program**

On the third Wednesday of each month, District No. 9 will have attorney/s available to meet with our members and their spouses at the District No. 9 Office between 2:00 p.m. and 6:00 p.m. at no charge to the member for this consultation. If you wish to take advantage of this benefit, call District No. 9’s office at 314-739-6200 to schedule an appointment. Also, if your work schedule or geographical location does not allow you to meet on the specific day and times above, you can call to schedule an alternative day and time to meet.

To schedule an appointment, you will need your Local Lodge Number and Book Number, the time you would like to meet with the attorney and the type of legal issue you wish to discuss, which must be provided so the most appropriate attorney for the issue at hand will be available.

Please note that these attorneys cannot discuss issues involving the employment of a District No. 9 member (other than work related injuries – i.e. worker’s compensation). Also note that these consultations do not mean that you have created an attorney/client relationship and do not bind you in any way to retain any of the consulting attorneys. The attorney consultations are for your information only.

Fraternally,

Mark W. Conner  
Directing Business Representative  
District No. 9, I.A.M.A.W.
