## RESOLUTION URGING SUPPORT OF THE UNITED WAY CAMPAIGN

### UNITED WAY -- HELPING PEOPLE TOGETHER

Whereas, in 2017 when more and more of our brothers and sisters are facing hardship because of loss of employment or other economic adversities, the membership of District 9, I. A. of M. and A. W. in a meeting on this 13th day of September, 2017 hereby recommends that our entire membership contribute THEIR FAIR SHARE in accordance with the recommendation of the 2017 United Way Campaign.

Therefore, be it resolved, that I.A.M.A.W. District 9 Shop Stewards in cooperation with their Employer solicit our membership urging them to sign a pledge card authorizing their Employer to make the necessary fair share payroll deductions to support this most worthy cause.

In solidarity with best wishes, we remain

Fraternally yours,
